

CELEBRATING 1,500,000 + ASSESSMENTS

For almost 20 years, consultants and organizations have trusted the science that underpins the EQ-i 2.0® to help improve human performance. The EQ-i 2.0 is a psychometric assessment which measures emotional intelligence and how it can impact people and the workplace. Being the first scientifically validated measure of emotional intelligence, coupled with research from premier organizations, means you can count on the EQ-i 2.0 to add robustness and accuracy to your talent management initiatives.
