

Get Certified in EQ-i 2.0, EQ360 or the Pearman Personality Integrator AND Earn ICF CCE Credits at the Same Time!

Certification Information:

The EQ-i 2.0, EQ360 and Pearman Personality Integrator are B-Level Assessments requiring certification or pre-qualification.

Benefits:

- Access to our leading edge assessments and resources
- Grow your business by using the EQ-i 2.0, EQ360 and Pearman Personality Integrator as catalysts for building your client development action plan
- Diversify your practice by using our assessment in a variety of different ways: leadership development, personality types, executive coaching and more

What does the Certification include?

- Taking the assessment and receiving feedback from an experienced coach
- Learning how to interpret reports and provide meaningful feedback from an experienced Master Trainer
- A certificate that accredits you as a Certified Trainer and provides you with free tokens to help start-up your business
- A free online account, where you can administer and score assessments
- Access to marketing and facilitator resources, including a network of users and support from an experienced Partner Relations Consultant

For more information on registration and certification option for the EQ-i 2.0 and EQ 360, visit mhs.com/eqi2trainers and mhs.com/PearmanCert for the Pearman Personality Integrator.
